

LED Desk Lamp
5ADL07830xx

PRODUCT DESCRIPTION:

The LED Desk Lamp adds brightness while taking up minimal space in workspaces. The lamp is designed with an energy saving 7-watt integrated LED bulb that provides soft, even illumination for reading, crafts and other tasks without generating heat. The lamp features a flexible neck that allows light to be easily directed to where it is needed, while an easy-to-reach on-off switch is located on the base. Outstanding lumen maintenance of 50,000 hours means it would be more than 11 years before the desk lamp would need to be changed (based on 12 operating hours a day)!

FEATURES:

- Available in 3 different finishes
- Integrated with On/Off switch
- 400 delivered lumens
- Flexible neck for versatile angle
- Small footprint for tight spaces

CONSTRUCTION:

- Durable, Aluminum Body
